RCI's "Vegetative Roofs for the Design Professional"

RCI Ontario Chapter's "Vegetative Roofs for the Design Professional" Seminar was held on April 8th 2016 at Riverstone Golf & Country Club in Brampton. The seminar and cocktail reception were a great success with 55 attendees and 5 table top displays sponsor.

The course was presented by Mr. Douglas Fishburn of "Fishburn Building Sciences". Doug is the creator of the course content and presented lots of valuable information related to green roofing technology and design principles. All in all it was a tremendous day of learning and networking for attendees.

RCI Ontario would like to thank our presenters:
