RCI Ontario Chapter was presented with an Outstanding RCI Affiliated Chapter Award for 2012 at the RCI International Convention and Trade Show in Orlando Florida. RCI Ontario Board members that were present at the convention accepted the award on behalf of the Chapter. The Ontario Chapter was one of 11 RCI affiliated chapters to receive the award for 2012. The chapter prepares the application which includes points for administration, financial health, membership efforts and numbers, education program, website and communications, trade shows, philanthropic support, social activities, and engagement with other affiliated industry associations. RCI Inc. uses the awards as a “roadmap” for Chapter success.

Thanks to all the volunteers and efforts made in 2012 for our Chapter’s success and we look forward to continued success through 2013. We are always looking for additional volunteers, so if you are interested in becoming involved on one of our various committees, please contact me.

Thanks again,

Derrick Moore
RCI Ontario Chapter President
